*In most areas of the country, State or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.*

*Our Funeral Home makes no representation or warranties regarding the outer burial containers listed on both pages. The only warranties expressed or implied, granted in connection with goods sold with these outer burial containers are expressed written warranties, if any, extended by the manufacturers thereof.*
